

Cleaning spray, for laser safety eyewear, 30 ml

Product information:

Item no.: 970-SPRAY-30ML

Cleaning Spray - Without Alcohol for optimal protection and care

Properties:

The PROTECT cleaning spray provides a professional, thorough and gentle cleaning of your glasses.

The PROTECT glasses cleaner does not contain any aggressive substances. Highly coated and/or anti-reflective glass and plastic surfaces can be cleaned particularly well.

- Anti-fog
- Antistatic
- Silicone-free
- Alcohol-free
- 30 ml bottle with sprayer
- suitable for cleaning all glasses from plastic and mineral glass filters

Application: Spray PROTECT Eyeglass Cleaner onto the lenses and wipe off with a soft, lint-free cloth. For this, we recommend our [microfiber cloth](#).
