Your Safety. Our Concern!

Properties:

Our **IPL safety goggles ONTOR** are lightweight, versatile **safety goggles** made of a plastic frame, which is perfectly suitable as over-glasses for spectacle wearers. The frame offers a very large field of vision and wide side coverage, with excellent wearing comfort due to flexible temples adjustable in length and inclination, and a special soft-rubber padding in the forehead area. **IPL protective goggles ONTOR** provide safety for users and patients during **IPL treatments**.

- suitable for **IPL applications**
- very large field of vision

Certified according to **EN 12609-1**

- Protection level: **F-4**
