

Black&yellow folding case (big) with PROTECT Logo

Product information:

Item no.: 970-ETUI-HART-XL-50

Product weight: 0 g

This glasses case is made of sturdy plastic. Due to the hard shell, it can be carried in any type of backpack or bag.

Properties:

Protective hard shell made of sturdy, pressure and crack resistant EVA plastic including velvet lining to prevent dents, dings and scratches when dropped or stored in your bag.

Our sturdy eyeglass case is used to keep your over-glasses such as [GLADIATOR](#) safe.

- Material: strong and lightweight EVA plastic
- safe storage
- with zipper
- the case is perfect for all our laser safety glasses like e.g. [SPECTOR](#).

Dimensions: 25 x 13 x 11 cm
