Complete cleaning station - a perfect solution to keep your glasses clean

## Properties:

Our practical eyeglass cleaning station offers everything you need to clean your safety glasses. The lockable goggle cleaning station is made of robust sheet steel and is optimized for wall mounting.

The simple graphic display on the front explains how to use it for regular cleaning of safety glasses.

The complete goggle cleaning station includes:

- lockable wall housing 45 x 29 x 9 cm (HxWxD)
- approx. 500ml cleaning liquid (Refill bottle)
- 2 packs of 2-ply and silicone-free silicone-free paper with approx. 700 sheets each
- 1 spray pump

All single components can be reordered.
